

## A Note to Stampers

With *Hallmark* (and other) cards priced from \$2 to \$6, you have a great opportunity to save \$\$\$ today by making as many handmade cards as you want for only \$1.50 each!

**So here's a tip...** When making a card, do all your stamping and also use the special tools provided. THEN, put all the pieces back into the plastic bag and assemble the card at home. It will save lots of time and you can start making your next card!
