

JOIN THE CLUB WITH ME

This is how it works:

- Month-by-month, on or around the 20th, a little red box (or perhaps another surprise color) will arrive in your mailbox!
- Inside the box will be an **EXCLUSIVE CRAFT KIT** including a stamp set (*wow*), a mini ink pad, precut papers, and embellishment trims to create pre-designed projects! Also included is a color instruction sheet with step-by-step directions. *The ink pad colors do not repeat in any 12-month period.*
- Your first kit comes with a FREE, clear stamping block!
- At least six times a year, you will receive a Super Card Kit to make eight or more cards, with envelopes too!
- Occasionally you will be treated with gift bags, banners, boxes, home décor or even giftables!
- **An extra treat is this...** Each month I will send you (via US Mail) a unique envelope with cardstock and more, including a color picture, so you can make 4 full size cards, designed by me, using some products in your kit!!
- You will also be able to access the online **Paper Pumpkin Fan Club** that always has fabulous ideas for optional things to make with your kit box!
- All for only \$22 a month which includes shipping! That makes the average cost of each item only \$1.50-\$2.50 each! *Please note there is no pressure. You may cancel or suspend at any time. Give it a try it for just one month!*
