

# JOIN THE CLUB WITH ME

## This is how it works:

- Month-by-month, on or around the 20<sup>th</sup>, a little box will arrive in your mailbox! *Sometimes it is red. Other times it is a surprise!*
- Inside the box will be an **EXCLUSIVE CRAFT KIT** that includes a stamp set (*wow*), a mini ink pad, precut papers, and embellishment trims to create pre-designed projects! Also included is a color instruction sheet with step-by-step directions. *The ink pad colors do not repeat in a 12-month period.*
- Your first kit comes with a FREE, clear stamping block!
- At least six times a year, you will receive a Super Card Kit to make eight or more cards, with envelopes too!
- Occasionally you will be surprised with gift bags, banners, treat bags, boxes, home décor, or giftables!
- An extra treat is this... You will be in my unique, one-of-a-kind **PAPER PUMPKIN PLUS** group! Each month I will send you (via US Mail) an envelope with cardstock and more, including a color picture, so you can make 4 full size cards for **FREE** designed by me with a few pieces from your kit!!
- You will also be able to access the online Paper Pumpkin Fan Club that always has fabulous ideas for optional things to make with your kit box!
- All for only \$22 a month which includes shipping! That makes the average cost of each item only \$1.00-\$2.00 each! *Please note there is no pressure. You may cancel or suspend at any time. Give it a try it for one month!*
